Rottweil Special 36

The Rottweil Special 36 belongs to the Basic Line, a product line for particularly price-conscious hunters. This hunting shotshell with a low brass head, but high shot load is a good choice for hunters, who are prepared to accept a good compromise of price and offered performance. The favourable price results from the use of inexpensive components for the assembly.

Rottweil Special 36 at a glance:

- hunting shotshells
- low brass head
- high shot load
- economical dark green PE plastic case
- versatile use
- reduction of boundary shot due to cup wad
- inexpensive 16 mm brass head
- calibre 12/70

Shotgun shell construction of Rottweil Special 36

1. Economical dark green PE plastic case
2. Versatile use due to availability of lead shot in all popular sizes
3. Reduction of boundary shot due to cup wad
4. Protection of the barrel due to non-corrosive SINOXID® ignition
5. Inexpensive 16 mm brass head
