.270 Win.

The .270 Win. is an internationally widespread 7 mm cartridge. It is pleasant to shoot and with good precision best suited for light to medium-sized cloven-hoofed game.

The GECO Express bullet with its weight of 130 gr is based on the original version of 1925. The assortment is completed with the 140 gr Softpoint and the 150 gr GECO Plus bullet.

GECO Softpoint

Thousands of roe deer have been shot with the legendary GECO Softpoint bullet which is suitable for universal use and in almost any hunting situation. It responds reliably in the game's body and has good target ballistic effectiveness. The thin walled jacket of the bullet is the secret of this successful design, deformation is initiated by the marked lead tip and then the jacket responds to the increased resistance, even with heavy game the deformation process remains well controlled.

Construction GECO Softpoint bullet
