.270 Win.

The .270 Win. is an internationally widespread 7 mm cartridge. It is pleasant to shoot and with good precision best suited for light to medium-sized cloven-hoofed game.

The GECO Express bullet with its weight of 130 gr is based on the original version of 1925. The assortment is completed with the 140 gr Softpoint and the 150 gr GECO Plus bullet.

GECO Express

The GECO Express gives a flat trajectory, a high bullet velocity and a fast energy transfer – all combined in a unique new GECO design. The streamlined bullet shape combined with the new GECO Express Tip allows for extremely precise long distance shots without correction of the aiming point. The jacket design allows high bullet velocities which are maintained right to the target and give an extremely high energy yield resulting in clean kills.

Construction GECO Express bullet

Suitable for any hunting situation and reliable in effectiveness when long distance shots are required.

1. **GECO Express Tip:** For precision and flatness
2. **GECO BC-Shape:** For a low air resistance
3. **GECO Special Jacket:** For high knock-down power
