

JAKT WD60X WHISPER XTRM MKII

WD60X.2 Black: 6,80mm - Cal. .260 / 6,5

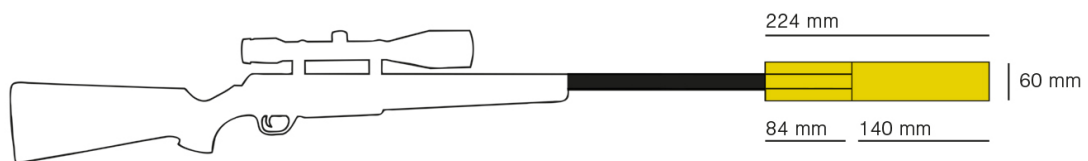

Articlenumber:	2242604010100
Noise reduction:	38 dB
Weight:	480 g
Diameter barrel:	60 mm
Ammunition:	Centerfire rifle cartridges
Caliber:	.26/.260/.264
Color:	Black
Weapon:	Bolt Action
Barrel type:	Over-barrel
Application:	Hunting
Material:	Aluminum

ARTICLE DESCRIPTION

With a silencing performance of -38 dB, a diameter of 60 mm, a length of 224 mm and the over-barrel design, JAKT WHISPER XTRM WD60X.2 Black: 6,80mm - Cal. .260 / 6,5 is ideal for larger calibers and larger game. Good magnum suitability! Including XTRM steel mesh fabric for maximum power.

TYPE: Over-barrel

Length over barrel:	84 mm	Internal thread dimension:	18x1
Length extension:	140 mm	Magnum usability:	Yes
Overall length:	224 mm	Diameter barrel:	60 mm

VARIANT DESCRIPTION

With the addition of XTRM, JAKT WHISPER XTRM is the most powerful silencer in the multi-talented JAKT product line. As the name suggests, it is the perfect synergy of two very popular and powerful designs - robust and agile at the same time. The larger diameter of 60 mm, the relatively low weight of 480 g, the barrel-enclosing over-barrel design and the additional volume enable a very good, increased effect of up to -38 dB. With the hard anodised inner and outer tubes, these HAUSKEN silencers are also particularly durable. JAKT WHISPER XTRM is suitable for rifles with a barrel diameter of up to 23 mm. Six pressure distribution chambers and the additional expansion chamber ensure balanced pressure distribution inside the silencer. This means that there is no muzzle flash when the projectile is fired, which would otherwise disturb and blind the shooter. The perfect solution for all hunting applications, even at longer distances and for larger magnum calibres.
