

WHISPER WX456 MEGA XTRM MKII

WX456.2 Black: 11,50mm - Cal. .416 / .44 / .45 / 10,3

Articlenumber:	4569714010100
Noise reduction:	43 dB
Weight:	1190 g
Diameter barrel:	70 mm
Ammunition:	Centerfire rifle cartridges
Caliber:	.416
Color:	Black
Weapon:	Bolt Action
Barrel type:	Over-barrel
Application:	Hunting, Long-Range
Material:	Aluminum

ARTICLE DESCRIPTION

With an ultimate sound pressure level reduction of -43 dB, a diameter of 70 mm, an overall length of 456 mm and the over-barrel construction based on the barrel, the WHISPER MEGA XTRM WX456.2 Black: 11,50mm - Cal. .416 / .44 / .45 / 10,3 is ideal for larger calibers and long-range hunting. Excellent magnum suitability! Including XTRM steel mesh for a gigantic power with a barrel extension of 292 mm.

Length over barrel:	164 mm	Internal thread dimension:	24x1
Length extension:	292 mm	Magnum usability:	Yes
Overall length:	456 mm	Diameter barrel:	70 mm

VARIANT DESCRIPTION

MEGA XTRM is a further development of the WHISPER series. With a continuous steel fabric filling in the heaviest twelve silencing chambers, a large 70 mm diameter, five overall lengths of 456 - 656 mm and

pressure distribution chambers almost 300 mm long in front of the muzzle, this construction achieves the highest silencing performance available on the market of up to -43 dB, which fully justifies the strong name WHISPER MEGA XTRM. The MEGA XTRM absorbs almost all the noise of the muzzle blast and thus reduces the sound pressure level from over 170 dB to well below the pain threshold of 120 dB. It is a very stable and robust silencer that also tames magnum calibers and is ideal for accurate, long-range shooting.
